

IN & OUT Translation and Course Center chooses the best methods for learning foreign languages. From the great offer of foreign languages we distinguish: **English, German, Italian, French, Spanish, Albanian, and Macedonian for foreigners ...**

We especially stress that we do free of charge testing and examination of the level of foreign language knowledge. Modern interactive teaching in pleasant and relaxing atmosphere in the city center is only one of the advantages of IN & OUT Translation and Course Center. Experienced teachers, instalment payment, discounts ...

IN & OUT TCC as well as organises language courses in your premises if required. Programmes according to which the lecturing is designed are based on methods that have showed best results in the process of learning languages. Texts are modern and accommodated to all ages including great number of words represented in everyday communication. Certificate for successful realisation of language course is granted at the end of the course. Teachers are qualified and with great experience in this area.
